E. Nichols, T. B. Reardon, and Mrs. Grace MacGowan Cooke. All four candidates have a loyal following, and a spirited contest may be expected.

ORDER TO SHOW CAUSE

In the Superior Court of the County of Monterey, State of California.

In the matter of the guardianship of the person and estate of Ernest Meadows, Laurence J. Meadows, Alice M. Meadows, and Harry M. Meadows, Minors.

It appearing to this Court from the verified petition this day presented and filed by Ernestine V. Northup (formerly Ernestine V. M., in the Courtroom of this Court at the Courthouse in the City of Salinas, County of Monterey, State of California, then and there to show cause why an order should not be granted for the re-mortaging of said real estate.

And it is further ordered that a copy of this order be published at least once a week for four successive weeks before the said day of hearing in the Carmel Pine Cone, a newspaper printed and published in said County of Monterey.

Judge of the Superior Court

Argyll Campbell, Attorney for Petitioner.

Boosts and Knocks

By Observer

San Carlos Highway for several blocks is in a deplorable and unsafe condition, the result of heavy trucking. The parties responsible for breaking up the asphaltum pavement on this throughfare should be made to repair it.

The wild-flowers in and about Carmel are the envy of many another section, but to maintain our prodigious annual growth, it is suggested that children and other pick only the flowers; don't pull the plants up by the roots.

Our new grocers, Messrs. Brewer & Edler, are making extensive improvements in and about their big corner store. A new awning has been put up, the interior has been painted a nice clean white, new shelves have been built in, and in the rear of the store the gallery will be utilized as an office.

A man came in the other day and wanted to sell us an adding machine. The Pine Cone has been able so far to total its receipts by the old lead pencil method, but it is a good sign when the adding machine man tackles the small town editor. They didn't used to it. But things are different now, and we hope some day to add this useful appliance to our equipment.

Meeting a lady in San Francisco on her way to the railroad depot, a gentleman remarked "Where are you going?" "To Carmel," said the lady. "Carmel, oh yes—that's the town where you find the Bible in the barber shop, instead of the Police Gazette.

When a local business man was asked to sign the retain-the-Marshal petition, he refused to do so, on the ground that the price came too high, but at the same time admitted that Gus Englund was the best peace officer in the state Nothing too good for Carmel if it does come high. I'll say so.

Do tell! A lady here for a day's visit, walked into one of our stores and inquired of the proprietor, "Is there anything else around here besides the Mission to interest a stranger." Shades of Serra, what a question.

For President
HIRAM W. JOHNSON

Mr. Reardon Says:

"I stand for the following:

"Street improvements. Regarding Ocean Avenue, I was in favor of concrete, but as the majority of property owners were opposed to this method of improvement, I am in favor of any plan, provided it is practical.

"I think the improvement on the other streets are as good as can be had at this time, but some way should be found to take care of the storm water. Also, constant repair work should be made on these streets.

"Adequate police protection, such as has been given by our present City Marshal, with increased compensation.

"I also believe the City Marshal should be assigned to other work, provided it does not interfere with his police duties.

"Providing for a suitable place for campers and restricting them to this area.

"Application of the same business methods to public affairs as one would give to private matters.

A WORLD REBUILT

By the Golden Rule
not by the rule of Gold

THIRTY denominations of the Church are uniting in a simultaneous campaign in the week of April 25th-May 2nd.

They are uniting because the task before the Church is too great for any one denomination; because there must be no duplication of effort; no waste.

These churches know that the world needs many things; but it needs Faith most of all.

They know that there can be no final solution of our economic problems that is not a spiritual solution, based on the teachings of Jesus Christ and His Golden Rule.

They have had the courage to survey the whole task, and to ask for a budget large enough to sustain (1) the work abroad, (2) the work at home including the church's part in the huge task of Americanization, (3) the colleges and (4) hospitals supported by the Churches, (5) the religious training of the young, and to provide (6) a living wage for the Church's ministers.

The budget is large in the aggregate; yet if each person who loves America would increase his contribution by only a few dollars the whole amount would be easily subscribed.

We face the task of rebuilding the world. Let the cornerstone be a strong and vital church in every American community; and the measuring rod by which the builders build must be the Golden Rule.
